

Celebrate the Parksville Community Centre Reopening on June 25

We are excited to invite everyone - children and their families, youth, residents, and members of the public to the official reopening of the Parksville Community Centre and new home of the BGC Parksville Child and Family Centre. The event will be held from 10 am to noon on Saturday, June 25 at the Parksville Community Centre, 132 Jensen Avenue East.

We hope you will join the City of Parksville and BGC Central Vancouver Island as we proudly showcase and celebrate the renovated facility and 91 new childcare spaces. The event includes kids' entertainment, craft activities and games, storytelling, refreshments, and a chance to tour the updated facility which includes renovated community space. BGCCVI will host a hiring fair from 11 am to 3 pm.

The Parksville Child and Family Centre, located in the Parksville Community Centre at 132 Jensen Avenue East will feature 91 new childcare spaces; 37 spaces for infants to school age and 54 spaces for school age children as well as youth and parent programs, and community use space. In May 2021, the City was awarded a grant for \$2,034,829 to complete significant renovations to the Parksville Community Centre to facilitate the new childcare spaces and community programming. We look forward to unveiling these significant renovations to the public on June 25.

Details about community facility rentals in the Parksville Community Centre and the programs of BGC Central Vancouver Island, please refer to parkvillecommunitycentre.ca and bgccvi.com
