

Chesapeake Shores Filming in Parksville on June 22

Chesapeake Shores Productions will be filming on Wednesday, June 22 in Parksville as follows:

- In the Parksville Community Park in the afternoon near Arbutus Point. To accommodate equipment and trucks, parking spaces near the point along Beachside Drive will be coned off earlier in the day and released as soon as filming is finished, around 4 pm.
- In the evening from 4-8 pm at 162 Weld Street. Parking spaces along Weld Street and a few spaces on the north side of Jensen Avenue East between Corfield and Weld will be allocated for Chesapeake Shores. These parking spaces will be available most of the day and businesses will be notified of filming.

As usual, Chesapeake Shores will have security and traffic control personnel on site and signage will be posted at the entrance to the park and to mark off the areas along Weld and Jensen for the production.

We are aware this may be an inconvenience for park users and do appreciate the public's patience. We are once again, pleased to be able to accommodate Chesapeake Shores requests to film in the City.
