Cool off with the Parksville Fire Department!

They're back! The Parksville Volunteer Fire Department invites kids, families and the young at heart to a popup water park on August 13 at Foster Park. Join our firefighters and enjoy an opportunity to cool off by running through a misting spray from an aerial ladder truck and other fire hose appliances.

6 to 8 pm on Friday, August 13

Foster Park, located at the corner of Sanderson Road and Pym Street

Popup or instant water parks are a chance for residents and visitors to check out the fire engines and equipment, learn about fire safety and talk to members about what it means to be a volunteer firefighter. The Parksville Fire Department members look forward to the opportunity to engage with the community and share in the fun. A second popup water park is tentatively scheduled for August 20 with more details to come soon.

For more information, please contact the department at 250 248-3242.
